

The Community Health Clinic

Greetings,

Welcome to The Community Health Clinic (the CHC), a medical genetics clinic. You have expressed interest in obtaining an appointment at the CHC for yourself or your child, or another doctor has referred you or your child for an appointment. Our geneticist, Dr. Ammous, is seeing new patients at this time. If you care to follow through as a new patient, please fill out the enclosed paperwork in entirety and send back to me at the enclosed address. Any areas requesting a witness signature you may leave blank. The medical secretary will sign those as they come in.

In regards to insurances, we accept Medicaid, Medicare and PCGM. All other insurances are self-pay on the day of appointment, with forms provided by our office at checkout for billing/reimbursement through your individual insurance company.

Once your paperwork has been returned, I will obtain all available medical records, after which our doctor will review. Appointments will then be scheduled after all medical records have been obtained. Thank you.

Sincerely wishing you and yours health,
